

Town of Charlestown, Maryland

Maintenance Report – April 2024

Tasks completed:

1. Built a new building for the water pit at the water tower over the main valves. Still need to install the roof.
2. Dug up the water service at church, capped off old water service where it was leaking, and seeded and strawed the same area.
3. Fixed leaks at the pedestals along C-Dock and re-plumbed the water line to the bath house at same location.
4. Cleaned up beaches after a large high tide and storm event.
5. Placed dry fire line stickers on the new fire line on C-Dock at each slip.
6. Put up "parking by permit only" signs in new areas.
7. Put new risers on meters that were below grade.
8. Cleaned and built new shelves and reorganized maintenance shop.
9. Placed the cannon at Long Point Park and replaced the flag on the flagpole.
10. Fixed and straightened stop signs in Cool Springs neighborhood and filled potholes on Revelation Road in Trinity Woods.
11. Framed walls for the water pit and painted some of the pipes to keep them from rusting.
12. Conducted two brush days and one bulk pick up for this month.
13. Cut and trimmed grass in common areas, roadways, and swales.
